CHAIRMAN'S LETTER

Dear Fellow Members

I am pleased to report that at the Chairman's Dinner held last month Nicholas Whitlam was formally awarded Life Membership to Tattersall's Club.

As Chairman, Nicholas made a substantial contribution to the revitalisation of our Club through his leadership, dedication and long hours.

The Chairman's Dinner itself was a great evening and, like many of our functions recently, was well attended by members and their guests.

Those of you who were at the Rugby Luncheon would understand why there was a long waiting list. Michael Browne, the Food & Beverage Manager, together with Timothy Seres, Functions Manager, really set the standard with this lunch.

We have made some changes in the Club. If you have visited the Members Bar lately you will have noticed that light snacks are available there. You will be pleased to know that we will be introducing an "Oyster Bar" each Friday.

In the Athletic Department we have altered some lockers to better suit your requirements. We have repositioned the television, ordered a new bike and treadmill.

Don't forget to look over the range of Tattersall's products in the showcase in the Athletic Department

Your Committee has decided not to rush ahead with the development of the ground floor shop. The Development Application has been approved and we are almost ready to settle on the property.

Our view is that our first priority must be to consolidate all the operational improvements at the club and then discuss how we can move forward with the balance of the strategic plan, including the use of the shop.

I look forward to receiving your comments on any or all of the activities of our Club.

Gastronomy News

Executive Chef, Paul Clyne, and his talented team of award winning chefs have created a new menu for the **Dining Room**. Always innovative and using only the freshest in-season produce, the menu highlights seafood, game and poultry. Paul says the 'piece de resistance' would have to be the pan fried Jewfish served on fragrant jasmine rice with green papaya pickle. The pan fried duck breast with black bean sauce and wontons is also a favourite, but its always the members who decide what's best, and I'm pleased to say the response so far has been very encouraging.

The Dining Room is open for lunch Monday through Friday and in the evening Tuesday through Friday. Call Rachel Mock, on 9264 6111, for your reservations and enjoy some of the freshest and expertly prepared and presented dishes on offer.

For those members who use the **Athletic Department** of a morning and during lunchtime, you will be pleased to know the buffet has been upgraded and you can now get fresh scrambled eggs or omelettes cooked to order for breakfast or gourmet open-faced sandwiches for lunch.

For our members who prefer a less strenuous environment and just want a quick snack eg; pies, homemade soup and sandwiches, these are now available in the **Members Bar** on the second floor.

Bottle Shop Sales

For the best prices on your liquor requirements call the Food & Beverage Manager on 9264 6111, who will give you a great deal and organise delivery to your office or home. The best value would have to be the Tattersall's Club Chardonnay at $98 per dozen - 100% Chardonnay - 100% Hunter Valley or the Shiraz Cabernet, a soft easy drinking style with great flavour and length. All wines and spirits sold in the Club are available through the Bottle Shop.

BILLIARDS & SNOOKER

Annual Snooker Tournament

The Annual Snooker Handicap is well underway with a number of players into the final 16. Barry Jarrett (who defeated Eddie Charlton earlier this tournament) has already progressed into the money in the final 8. There have been a number of tremendous battles fought over the blaize for a place in the final 16 and despite the fact there are a number of familiar names left, a number of old favourites have been pushed aside by some fresh blood.

Peter Twigg (1995 Champion) defeated Adrian Abbott in a tightly fough black ball game but John Gowran, Rod Foord & Mike Cummings all had solid wines to secure their place in the final 16. Denis Pidcock has been relentless in his pursuit of another title (Denis won the Billiards Handicap in 1995) and showed no mercy in disposing of one of the Club's highly rated players, Bob Smith. In a surprise result, Alan McDonald managed to extract a win from longtime extractor, John Stratton and in the grudge match of the year. Terry Lindfield outed Brian McElvogue to move himself closer to a shot at the title.

Interclub Tournament

The team has performed consistently to date to retain second position on the table. Although there have been some mixed individual efforts, someone is always firing on the nights when someone else is failing to settle. With a little luck we will have the team reaching its peak at finals time in order to mount a successful defence of the title for 1996.

CLUB DRINKS

The next date for Club Drinks will be Thursday 29 August 1996 from 6:00 to 8:00pm. All members, new and old, are invited to attend the evening where drinks will be provided *'on the house'* in the Members Bar.

BISTRO ART

Mick Namarari Tjapaltjarri
Untitled Painting

Mick Namarari Tjapaltjarri was born in 1930, in Nyunmanu in the Northern Territory. He is from the Pintupi Tribe. Since 1983 Mick has exhibited in numerous group and solo shows in Australia and overseas. He is represented in the National Gallery of Australia as well as State Galleries and corporate collections.

The Untitled (Nyarkulnga) painting, tells the story of a group of men and women who were travelling during the mythological era. The central patter of pink U shapes represents the women. The roundels on the sides are the groups of men.

These people were travelling northwards to a placed called Mitukatjiri. This is an important ceremonial cave site in the Ligertwood Cliffs, about 30 miles south of Sandy Blight Junction, far to the west of Alice Springs. En route they reached a place called Nyarkulnga - the subject of this painting. There was no water here, however, and so the women were sent back to a placed called Tjelanya to fetch it in wooden containers which they balanced on their heads.

The name Nyarkulnga is derived from the action of hot people smothering themselves with sand to hide from the sun and keep cool. Tjelanya is derived from the name of the water carrying utensil. It can thus be readily seen that this mythology, conveyed in a song cycle which is memorised, is aetiological in nature. It gives a legendary explanation for the origin of topographical features. It also acts as a gazetteer and cautionary tale.

REMINDER - that the Athletic Department is open Sundays between 9am & 5pm.

Members sons over the age of ten and members guests are welcome.

Sons under 18 years are complimentary on Saturday and Sunday

SIX WINS FOR JEANS.....

Vince Maloney & Co

(next door to Tattersall's)

All clothing revolutions begin with the young. The best of them become part of Good Dressing. It has happened with jeans.

Internationally, jeans walk in at top level almost anywhere today: (1) with a navy blazer, (2) with a country shirt and tie, (3) with blouson and t-shirt, (4) with a suede jacket and boots, (5) with a linen jacket, floral shirt and loafers and (6) with a polo knit to Saturday work-outs at the Club.

VM himself went north last month, holidaying in jeans. Do it right. Valentino's great blue denim 5-pocket jeans (up to 44" waist) are $195 at..... VM
